Know how. Know now.

Welcome to Nebraska 4-H

The Clover Kids program can be a rewarding and fulfilling experience for both you and your club members. The joy of being a part of a 4-H program is helping young people grow and develop physically, emotionally, socially and intellectually as they "learn by doing". As a partner in the Nebraska Clover Kids program you are helping in the positive development of youth so they become competent, caring and contributing citizens, intent on "Making the Best Better."

What is 4-H?

4-H is fun!

- 4-H is for all youth, ages 5-19
- 4-H is part of University of Nebraska-Lincoln Extension and the Institute of Agriculture and Natural Resources, as well as the Cooperative State Research Education and Extension Service-United State Department of Agriculture

Motto

To make the best better

4-H Emblem

A green four-leaf clover with a white H on each leaf.

The four Hs stand for head, heart, hands and health.

Pledge

I pledge:
my head to clearer thinking
my heart to greater loyalty
my hands to larger service
my health to better living
for my club, my community, my country and my world.

Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture.

The 4-H Youth Development program abides with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.

Mission Statement

Nebraska 4-H, developing all youth to reach their fullest potential through:

- utilizing the knowledge base of the land-grant university system
- learning by doing
- developing life skills

Life Skills

During our lifetime, each of us develops skills we use to build relationships, work, manage families and homes, participate in communities and use leisure time. In 4-H, we call these ***life skills***.

- thinking critically
- solving problems
- respecting self, others and the environment
- communicating
- preparing for a career
- serving others
- choosing healthy lifestyles
- managing change and challenges
