

Take these questions with you to ask child cares to learn more on the topic of

## Curriculum & Approaches to Learning

- What is your daily routine with the children and how do you plan for individual children's needs?
- Do you use a curriculum and if so, what is it and why did your program choose it?
- How does your curriculum align with early learning guidelines or standards?
- How will my child's learning and culture be supported?
- How do you train and support your staff with this curriculum?
- What do you notice the children enjoy about the activities during the day?
